N. A. A. C. P. OPENED

WEDNESDAY APRIL 24

Will End In Anti-Lynching  
Conference At Newark,  
N. J., June 18-23. President's  
Signature Foregone  
Conclusion If Bill Passes.

Special to The Argus  
NEW YORK, April 27.—Lynch Law  
Must Go is the slogan of the Spring  
session of the National Association  
for the Advancement of Colored People,  
which opened Monday April 24, and  
continuing in an anti-lynching con-  
ference in Newark, N. J., from June 18  
to 23.

The entire weight of the Associa-  
tion's forces throughout the United  
States, is to be applied in an organized  
pressure toward the enactment of  
the anti-lynching bill, which has been  
introduced in the House of Represen-  
tatives.

There is no doubt felt in the National  
office of the N. A. A. C. P. that  
President Harding will sign the measure  
and when the Senate approves it.

In fact, the association's signature  
is looked upon as a foregone conclu-  
sion. The bill, which was introduced  
on the floor of the House on April 24,  
has already been passed by the House  
in two states, Michigan and New  
York.

Colored voters and the press through-  
out the country are expected to make  
it clear that the Republican party  
will be held responsible for the non-  
passage of the anti-lynching bill.
